**ONLINE Information Services, Inc. Welcomes
Karen Murphy as Director of Strategic Partnerships-Utilities**

Winterville, NC, February 28, 2023 --

ONLINE Information Services, Inc. is pleased to announce the addition of Karen Murphy to our organization. Karen is rejoining ONLINE, as the Director of Strategic Partnerships-Utilities, where her focus will be building relationships with ONLINE's utility and telecom integration partners to bring value to our partners and integrated solutions to our mutual customers.

Karen comes to the role with decades of utility sales and service experience. She previously worked for ONLINE as an Account Executive which means she is extremely knowledgeable about the products and services that ONLINE provides and the value they bring to our mutual clients. Prior to rejoining ONLINE, Karen worked with Meridian Cooperative engaging with utilities on their CIS and FIS needs. Her experience with the CIS software industry from the software provider perspective and her years of serving the utility industry puts her in a unique position to help deliver ONLINE's bad debt elimination products and services to the utility and telecom spaces.

Karen looks forward to meeting everyone and will reach out to all of ONLINE's partners over the next week or so. Karen can be contacted via phone and/or email at:
